Shiny Hiny

For the ultimate show ring pizzazz use Shiny Hiny Hair Polish on your horse's coat, mane and tail! Dazzle the spectators with your horse's "Shiny Hiny". Pony-Glam it with Sham-Pony and Shiny Hiny...

Shiny Hiny provides a long lasting effect to help keep your horse's coat shiny and shimmering clean plus keep the mane and tail tangle free. Shiny Hiny is also an excellent leave-in conditioner. It is environmentally safe and fortified with Aloe Vera to moisturize and soothe dry areas. Can be used on wet or dry coats.

Directions: Shake well. For a quick polish just point and spray on a dry coat or mane and tail until hair is damp. Allow to dry and then continue grooming. Be sure to polish with a soft brush or towel for the ultimate Shiny Hiny! Also for use after shampooing with Sham-Pony or one of Aloe Advantage's other fine shampoos. Rinse thoroughly and remove excess water with sweat scraper or towel. Then apply Shiny Hiny by spraying a section at a time and rub in well with hand for maximum results and comb through mane and tail. Allow coat to dry completely. The amount of product used is directly related to the size of your horse's "Hiny".

Good for all sizes of "ponies" from minis to drafts. Also great for your K-9 pooch!

Ingredients: De-ionized Water, Glycerin, Mineral Oil, Siloxilene, Wheatgerm Glycerides, Aloe Vera, Watermelon fragrance, Proprietary blend of plant proteins, Vitamins A, D and E

Warning: Do not use on saddle area of horse. For external use only.
