

Shiny Hiny

High Gloss Body Sheen

Description

Shiny Hiny provides a long lasting effect to help keep your pony's coat shiny and shimmering clean longer plus keeps the mane and tail tangle free. Shiny Hiny is also an excellent leave-in conditioner. The amount of product used is directly related to the size of your pony's "Hiny". Good for all sizes of "ponies" from minnies to drafts. Also great for your canine pooch!

Features & Benefits

- Environmentally safe and fortified with Aloe Vera to moisturize and help soothe dry areas
- Can be used on wet or dry coats

For Use On

Horses and Dogs

Ingredients

De-ionized Water, Glycerin, Mineral Oil, Siloxilene, Wheatgerm Glyderides, Aloe Vera, Watermelon fragrance, Proprietary blend of plant proteins, Vitamins A, D & E.

Directions for Use

Shake well. Shampoo with Sham-Pony or one of Aloe Advantage's other fine shampoos and rinse thoroughly. Remove excess water with sweat scraper or towel. Apply Shiny Hiny by spraying a section at a time and rub in well with hand for maximum results and comb through mane and tail. Allow the coat to dry completely. For a quick sheen, just point and spray on a dry coat or mane and tail until hair is damp. Allow to dry and then continue grooming. Be sure to polish with a soft brush or towel for the ultimate Shiny-Hiny!
