Body Wash  
16 fl oz (473 ml)

## Sham-pony

The ultimate Pony-Glam starts with Sham-Pony! Beware of aggressive bubbles and the bubblicious watermelon aroma. It is formulated in a soap and detergent free base made with all natural ingredients. Sham-Pony is fortified with Aloe Vera to soothe dry skin. Get the bubbles flowing with Sham-Pony for a spa-perfect look!

**Directions:** Shake well. Wet hair thoroughly and remove surface dirt. Using a wash mitt, sponge or sprayer/foamer distribute body wash evenly and work into a rich lather. You may also add to a bucket of water if you prefer. Best to lather mane and tail first, then wash entire body. Let lather stand 3-5 minutes then rinse thoroughly. Repeat if necessary on heavily soiled areas. Follow up with Shiny Hiny Hair Polish for the ultimate Pony-Glam.

Good for all sizes of "ponies" from minis to drafts. Also great for your K-9 pooch! Helps eliminate odors and leaves a glamorous "Diva" finish to any coat!

**Ingredients:** De-ionized Water, Concentrated Surfactant Blend (Coconut Base Shampoo) which is detergent and soap free, Almond Oil, Vitamins A, E and C, Glycerin, Glyceryl Stearate, Proprietary blend of odor removers and odor counteractants, Aloe Vera, Watermelon Fragrance, EGDS, EDTA (sequestrant), Wheat Germ, Glycerides, Proprietary blend of coat conditioners and skin moisturizers, Red #1, Yellow #5, DMDH Hydrantoin, Alcohol free and contains no animal by-products.

**Warning:** For external use only.
