

## VETERINARY LINIMENT GEL

**ABSORBINE® VETERINARY LINIMENT GEL HELPS YOUR HORSE TO HEAL ITSELF.** Liniments are mild stimulants to the circulatory system that hasten and assist nature in returning a fatigued muscle, joint or tendon to normal. Absorbine Liniment Gel combines the same time-honored blend of Calendula, Echinacea and Wormwood herbs as our trusted Absorbine® Veterinary Liniment.

**INDICATIONS:** Veterinary Liniment Gel relieves the pain and swelling of joints and muscles due to minor injuries, over exertion and arthritis.

**ACTIVE INGREDIENTS:**

Natural Menthol 4%.

**Also Contains:**

Alcohol 57%.

**Directions for use,**

**Caution and Warning**

**statements are located**

**on inside panel.**
