

## AniGest

### Digestive Enzyme and Probiotic Supplement

*Get the most from your feed & supplement program.*

AniGest is a unique nutritional digestive supplement formulated with scientifically prepared acid stable enzymes and probiotics. AniGest's combination active ingredients are designed to enhance normal processes in a horse's digestive system. Improvements in digestive efficiency increase the results from your feed and supplement program, helping your horse reach and maintain optimal condition and peak performance.

The enzymes in AniGest include:

- **Amylase**; to aid in the digestion of starches and sugars.
- **Protease**; to aid in the digestion of proteins into amino acids.
- **Lipase**; to aid in the digestion of fat.
- **Cellulase**; to aid in the digestion of fiber.

The live yeast (probiotics) in AniGest includes;

- **S. Cerevisiae** strain 1026
- **Lactobacillus acidophilus**.

#### **Guaranteed Analysis per 1 1/2ounce serving (min):**

Protein 20%, Fat 9%, Fiber 17%, Amylase 4215DU, Bromelain 937,500PU, Cellulase 14,760CU, Lipase 1027FIP, Protease 65.625SAPU, S.Cerevisiae 37billion

**Directions for Use:** Intensive training or performance, or during breeding, gestation and lactation feed three ounces daily. Mature horses or idle to moderate activity feed one and one half ounces daily. Weanlings and yearlings start with three quarter ounce daily and gradually increase according to body weight. Increase feeding of large breeds proportionately according to body weight in excess of 1000lbs.

Available in four convenient sizes each packaged with a scoop for ease of dosing;  
5pound, 10pound, 20pound, 30pound
