PRODUCT FACTS (continued)

Muscle-UP™ is for use in horses to support and maintain healthy muscle, nerves and circulatory systems. This unique formulation is designed to support the equine athlete's overall health and function of their muscular system. The ingredients in Muscle-UP™ support rapid muscle recovery and proper electrolyte (ionic) balance, body fluid levels and normal lactic acid levels. The ingredient Lacto-Mos™ supports healthy digestion, proper gut flora and pH.
DIRECTIONS FOR USE: Mature Horses: 2 Tbsp daily for 14 days, then 1 Tbsp daily as maintenance. Yearlings: 1/2 recommended amount for mature horses. Large end of enclosed scoop measures 1 Tbsp (1/2oz approx).
WARNINGS: For animal use only. Not for human use. Keep out of the reach of children. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.
