IDENTITY (As Used on Label and List)  
Corona Hoof Dressing

Note: Blank spaces are not permitted. If any item is not applicable, or no information is available, the space must be marked to indicate that.

## Section I

|   |  |
|---|--|
| Manufacturer's Name<br>Summit Industries, Inc.  | Emergency Telephone Number<br>(770) 590-0600       |
| Address (Number, Street, City, State, and ZIP Code)<br>839 Pickens Industrial Drive<br>Marietta, GA 30062 | Telephone Number for Information<br>(770) 590-0600 |
|   | Date Prepared<br>November 27, 2007                 |
|   | Signature of Preparer (optional)                   |

## Section II - Hazard Ingredients/Identity Information

| Hazardous Components (Specific Chemical Identity;<br>Common Name(s)) | OSHA<br>PEL | ACGIH<br>TLV | Other Limits<br>Recommended | %(optional) |
|--|-------------|--------------|-----------------------------|-------------|
| Corona Hoof Dressing does not contain any hazardous components.      |             |              |                             |             |
|  |             |              |                             |             |

## Section III - Physical/Chemical Characteristics

|  |        |   |       |
|--|--------|---|-------|
| Boiling Point  | 212° F | Specific Gravity (H <sub>2</sub> O = 1) | .95   |
| Vapor Pressure (mm Hg.)                                      | None   | Melting Point                           | 70° F |
| Vapor Density (AIR = 1)                                      | None   | Evaporation Rate<br>(Butyl Acetate = 1) | None  |
| Solubility in Water<br>Insoluble. May disperse and emulsify. |        |   |       |
| Appearance and Odor<br>Pale yellow low viscosity cream.      |        |   |       |

## Section IV - Fire and Explosion Hazard Data

|   |  |             |             |
|---|--|-------------|-------------|
| Flash Point (Method Used)<br>None                   | Flammable Limits<br>None                         | LEL<br>None | UEL<br>None |
| Extinguishing Media<br>As required for grease fire. | Special Fire Fighting Procedures<br>Not required |             |             |
| Unusual Fire and Explosion Hazards<br>None          |  |             |             |
|   |  |             |             |

## Section V - Reactivity Data

|   |                |   |  |
|---|----------------|---|--|
| Stability   | Unstable       |   | Conditions to Avoid<br>Heat. Containers may rupture. |
|   | Stable         | X |  |
| Incompatibility ( <i>Materials to Avoid</i> )<br>None |                |   |  |
| Hazardous Decomposition or Byproducts<br>None         |                |   |  |
| Hazardous Polymerization                              | May Occur      |   | Conditions to Avoid<br>Heat. Containers may rupture. |
|   | Will Not Occur | X |  |

## Section VI - Health Hazard Data

|  |                    |                        |                            |
|--|--------------------|------------------------|----------------------------|
| Route(s) of Entry:   | Inhalation?<br>N/A | Skin?<br>X - possible  | Ingestion?<br>X - possible |
| Health Hazards ( <i>Acute and Chronic</i> )<br>Corona Hoof Dressing is a topical animal use product and should be used as directed. See label. |                    |                        |                            |
| Carcinogenicity:<br>No   | NTP?<br>No         | IARC Monographs?<br>No | OSHA Regulated?<br>No      |
| Signs and Symptoms of Exposure<br>N/A  |                    |                        |                            |
| Medical Conditions Generally Aggravated by Exposure<br>N/A   |                    |                        |                            |
| Emergency and First Aid Procedures<br>If ingested, seek medical assistance or contact local poison control center.                             |                    |                        |                            |

## Section VII - Precautions for Safe Handling and Use

|   |
|---|
| Steps to Be Taken in Case Material is Released or Spilled<br>Corona Hoof Dressing is non-toxic. Collect by any convenient means and treat as non-toxic waste. |
| Waste Disposal Method<br>Discharge to land-fill, incinerator, etc.  |
| Precautions to Be taken in Handling and Storing<br>Semi-liquid at room temperature. Do not store at elevated temperatures.                                    |
| Other Precautions<br>None required  |

## Section VIII - Control Measures

|   |   |                 |
|---|---|-----------------|
| Respiratory Protection ( <i>Specify Type</i> )<br>None required |   |                 |
| Ventilation<br>Not needed                                       | Local Exhaust<br>Not required               | Special<br>None |
|   | Mechanical ( <i>General</i> )<br>Not needed | Other<br>None   |
| Protective Gloves<br>Not needed                                 | Eye Protection<br>Not needed                |                 |
| Other Protective Clothing or Equipment<br>Not needed            | Work/Hygienic Practices<br>None required    |                 |
