### Ingredients

Processed Grain by-products, Dried Apple Cider Vinegar, Garlic Powder, Yeast Culture, Brewers Yeast, Diatomaceous Earth, Distillers Dried Grains with Solubles, Thiamine Monohydrate (Vitamin B1), Riboflavin, Pyridoxine Hydrochloride (Vitamin B6), Biotin, Folic Acid, Calcium Pantothenate, Vitamin B12 Supplement, Niacinamide, Grapeseed Extract, Vegetable Oil

### Directions for Use

**Initial Introduction:** Provide to mature horses weighing 1,100 lbs. at the rate of one (1) to two (2) ounces daily. Reduce daily serving proportionately, based on weight, for lighter breeds & ponies.

Continue for a period of 2-4 weeks.

**Maintenance:** The standard maintenance dose for a 1,100 lb (500 kg) horse is a one ounce serving (28.4 grams or one level 48cc scoop). Larger breeds, or a heavy insect population, may require the use of an increased maintenance dose of up to two (2) ounces per day. Provide one half ounce to one ounce daily for ponies, smaller breeds or where insect populations allow for lower usage rates. The 48cc scoop provided with the product will hold approximately one ounce (28.4 grams) when filled to "level".
