**PRODUCT FACTS (continued)**

Up to an 80 day supply.  
For use in horses, AniFlex GL's unique, natural formulation contains Glucosamine, HA and MSM which are easily absorbed to help maintain healthy connective tissue and joint function.

**DIRECTION FOR USE:** Supply horses of all classes 2Tbsp daily for 14 days, then provide 1Tbsp daily for maintenance. The large end of the enclosed scoop measures 1Tbsp; approximately 1/2 ounce.

**WARNINGS:** For animal use only. Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.  
Keep tightly sealed and store in a cool, dry place.
