PRODUCT FACTS (continued)

Up to an 80 day supply.
PureFlex Joint Complex is a superior blend of Glucosamine HCL, Chondroitin Sulfate, Hyaluronic Acid and MSM. It is recommended for all classes of horses facing day to day joint stress of athletic training, performance and competition. PureFlex is also ideal for the maintenance of normal, healthy equine joints.

DIRECTIONS FOR USE: Horses feed 1/2 ounce daily. The large end of the enclosed scoop measures 1/2 ounce (approx).

WARNINGS: For animal use only. Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.
Keep tightly sealed and store in a cool, dry place.

PureFlex[™]
