- **pH-balanced**
- **Gentle Enough for Daily Use**
- **For Performance Horses**

NET CONTENTS: 1 Gallon (3.785 L)

2-in-1 Shampoo & Conditioner

2-in-1 Shampoo & Conditioner is a biodegradable, phosphate-free shampoo and conditioner that cleans and moisturizes hair in one step. It is specially formulated with high-sudsing cleansers that deep clean to remove dirt and debris. Deep conditioner and coconut oil ingredients restore moisture to the hair for a soft, silky feel and add shine to the horse's coat. Easily detangles manes and tails, without excessive build-up for softer, more manageable hair.

2-in-1 Shampoo & Conditioner is pH-balanced to rinse easily and thoroughly, leaving no residue behind and returning the horse's skin pH to a normal/healthy level. Biodegradable surfactants and phosphate-free formula is gentle enough for everyday use and won't harm the environment or marine life.

DIRECTIONS FOR USE:

Wet the horse's coat thoroughly with water. Apply a sufficient amount of 2-in-1 Shampoo & Conditioner with a sponge and massage into a rich lather over the horse's entire body. Let lather stand for a couple of minutes. Rinse thoroughly until water runs clear. Remove excess water and dry horse as desired.
