# FLY TRAP ATTRACTANT

A scientifically developed fly  
attractant for use with:  
Fly Terminator®,  
Fly Terminator® Pro, Captivator® and  
other bottled traps

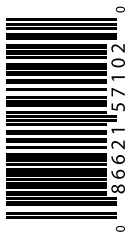

## Insecticide-free Formula

Four different attractants lure house flies, flesh  
flies, blow flies, blue and green bottle flies, eye  
gnats, dung flies and more.

### WARNING: FLAMMABLE

Keep Out of Reach of Children  
See back panel for additional cautions

Net Contents: 4 fl. oz. (118 ml)

### Instructions for Use

- 1) **IMPORTANT! SHAKE WELL BEFORE USING!**
- 2) For Fly Terminator® and Fly Terminator® Pro: Pour one ounce (two tablespoons) of attractant concentrate into jug. For Captivator®: Pour one-half ounce (one tablespoon) of attractant concentrate into jug.
- 3) Fill jug one-third to one-half full with water. **Note:** Attractant concentrate has a pungent odor; baiting trap outdoors in a well-ventilated area is recommended.

### WARNING

- Do not store or use undiluted attractant near heat or flame.
- Avoid contact with skin or eyes. In case of contact: **Eyes:** Flush with water for 15 minutes. **Skin:** Wash with soap and water. If irritation persists, get medical attention.
- Do not take internally. In case of accidental ingestion, get immediate medical attention. Induce vomiting only under medical supervision.

### SHAKE WELL BEFORE USING!
