USE AS A WIPE OR A SPRAY: This product may be applied either as a wipe or as a spray. When applying as a wipe, or on the animal's face, always use a soft cloth. When possible, first brush animal to remove excess dirt and dust. Spray or wipe animal's entire body while brushing against the lay of the coat to ensure adequate coverage. Avoid getting spray into animal's eyes, nose or mouth. Do not wet skin, or apply to the point of dripping or exceed two ounces per application. Reapply every 7 days under normal conditions.
