# HORSESHOER'S SECRET

## HOOF SEALANT

- Protects against harsh conditions

**NET CONTENTS: 7.5 fl oz (221.8 ml)**

Horseshoer's Secret® Hoof Sealant blocks out harsh environmental conditions, helping maintain proper hoof health. It will aid in the prevention of cracks in hot, dry conditions or soft, mushy hooves in wet conditions – all while providing a show-ring shine to the hoof.

**DIRECTIONS FOR USE:** Hoof wall must be clean and dry prior to application. Apply weekly, or as needed, to hoof wall. Begin approximately 1/2 inch below coronary band and continue down hoof wall. Do not use on bulbs of heel or coronary band. Allow to dry before applying additional coats if required.

**WARNINGS:**

- Keep out of reach of children.
- Not to be used on horses intended for food.
- DANGER! Extremely flammable.
- Keep away from heat, sparks, and open flame.
- Keep container closed.
- Use with adequate ventilation.
- Avoid prolonged breathing of vapor.
- Avoid prolonged or repeated contact with skin, eyes, clothing.
