

It's all about the animals.™

Muscle-UP™ is the original, most complete, premium fast-absorbing formulation designed to support the equine athletes overall health and the function of the muscular system. The exclusive and targeted ingredients in Muscle-UP™ support rapid and proper electrolyte balance and body fluid levels and normal lactic acid levels in the horses body.

Muscle-UP™ is a must for all performance horses that would benefit from:

- Rapid Muscle Recovery
- Normal Lactic Acid Levels
- Proper Ionic Balance and Body Fluid Levels
- Proper Muscle Contraction

Muscle-UP™ is original and still the most complete, highest quality muscle system available; containing more active ingredients at higher levels.

- Healthy Muscle Function and Metabolism - Vitamin E, L-Carnatine, Vitamin B1, Niacin
- Nerve Transmission and Circulatory System Sodium Chloride, Potassium, Calcium, Magnesium
- Oxygen Utilization and Muscle Recovery - DMG, Chromium

Lacto-Mos™ An all natural ingredient derived from the cell wall of a select strain of yeast that supports healthy digestion, proper gut flora and pH.

More nutrition from your feed ~ more performance from your supplement!
