APPLE-LYTE™ is a palatable apple flavored source of electrolytes to be used in all classes of horses during periods of dehydration or stress.

FEEDING DIRECTIONS:

(Enclosed measure approximates 1 oz based on density of product.)

Adult Horses (900-1,100 lbs): Feed 1/2 - 1 oz twice daily as a top dress on feed and/or mix in water. Provide ample water at all times.

STORAGE AND HANDLING:

Store in a cool, dry place.
Keep out of reach of children.
