**Barn Bag® Pleasure and Performance Horse Pelleted Feed Concentrate does not contain added sugars or molasses. The daily intake of starches, carbohydrates (WSC and NFC), and sugars from Barn Bag® is very low, and is insignificant relative to the starch, sugar and carbohydrate intake in the total diet.*

*** Barn Bag® Pleasure and Performance Horse Pelleted Feed Concentrate does not contain added potassium; however potassium is contained in minor concentrations with some of the ingredients such as alfalfa. Considering the small amount of product, the total level of potassium intake from Barn Bag® relative to the intake in the total diet is not significant.*

The 11 lb. nitrogen flushed vacuum bag delivers a 60 day supply for a 1000 lb. horse.
