

How To Get Your \$50 Metabarol® Rebate

Introducing Metacare™ from Equithrive!

Our mission at Equithrive is to improve the health and performance of your horses. Consistent monitoring of your horse's blood insulin and glucose levels is a key component to successfully managing any horse, especially the "easy keepers". **Metabarol®** can aid "easy keepers" by [supporting appropriate insulin levels](#).

To help our customers provide the best care possible for their "easy keepers" we are offering a \$50 rebate on qualified purchases of Metabarol®.

Our heart lies in the well being of your easy keeper.

Visit equithrive.com for more information.
