

# NEW Cavallo Transport Air

Introducing the World's Coolest Transportation Boot. 100% Hoof Protection for shod or barefoot horses. Your horse will travel and arrive sound, fit and ready to compete. Enjoy maximum comfort, protection and shock absorption during transport, turnout and light riding. Transport Air boots offer shod horses, even with studs the confidence of safe transportation.

- Pull tab for easy on
- Soft foam collar
- Heavy duty nylon and nubuk upper
- Replaceable Velcro Closure System
- Reflective Trim for safety
- Cavallo signature built in side drainage slots allow water to exit and air to circulate

**Arrive sound and ready to compete.**

- Lightweight
- Fits left or right hoof
- Available in sizes 0-6 on Regular sole

## HIGH TENACITY PROTECTION PADS

Custom cut sizing. Unique kevlar type anti abrasion material protects pads and boot sole from metal shoes and studs.

**FREE**  
Pair of each pad with every pair of Transport Air Boots

## COMFORT PADS

Custom cut sizing. 5mm thickness easily doubles to 10mm for use with studs, or extra cushioning.
